Logging in

Click 'Login' Button

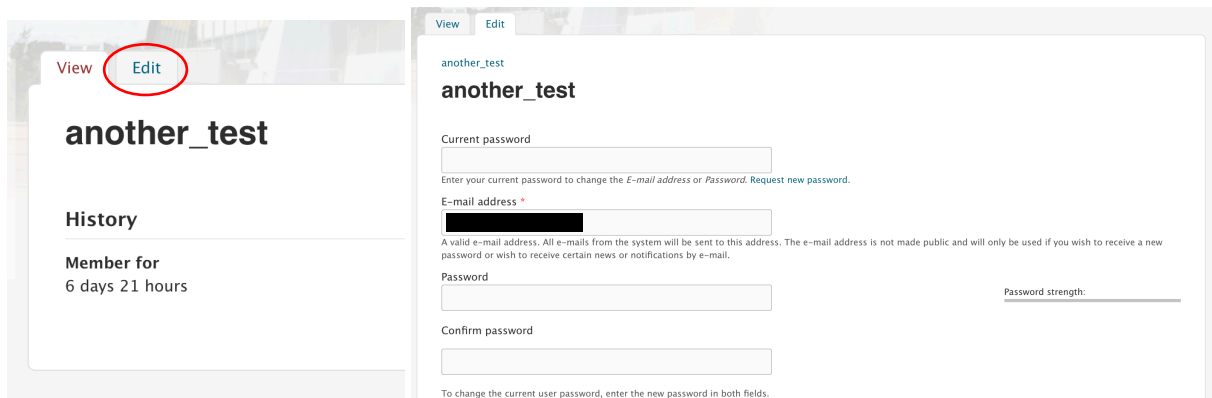

The screenshot shows a webpage with a header image of a building and the text "MIT Drupal Cloud" and "How Science can Enable a More Cooperative Future". A search bar is visible on the right. On the left, a navigation menu lists: Home, About, Discussion, Contact, Login (circled in red), and Register. Below the menu are "User Pages" (Fry's Basic Page) and "Login using Touchstone". The main content area has a "Welcome!" section followed by the title "How Science can Enable a More Cooperative Future" and a paragraph of text. A "Recent News" section below it states "There are no news items at this time, please check back later." and a "Recent Blogs" section lists three blog entries with dates.

Type in credentials. First time users will have passcode: changeme

The image shows a 'User account' login page. At the top, there are two tabs: 'Log in' (selected) and 'Request new password'. Below the tabs is the heading 'User account'. Underneath, it says 'Login using Touchstone'. There are two input fields: 'Username *' and 'Password *'. Below the 'Username' field is a note: 'Enter your How Science can Enable a More Cooperative Future username.' Below the 'Password' field is a note: 'Enter the password that accompanies your username.' At the bottom left is a 'Log in' button.

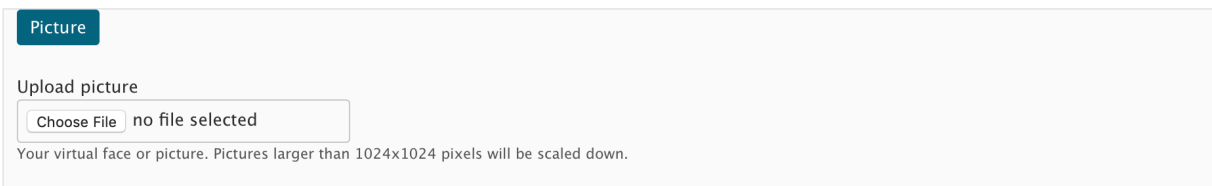

Select 'Edit' tab on your profile.

The image shows a user profile page for 'another_test'. On the left is a sidebar with 'View' and 'Edit' tabs, where 'Edit' is circled in red. The main content area has 'another_test' at the top. Below it are fields for 'Current password', 'E-mail address *', 'Password', and 'Confirm password'. There is a 'Password strength' indicator on the right. A note at the bottom says: 'To change the current user password, enter the new password in both fields.'

Enter the current password, and a new password.

Add a profile picture, if you like.

The image shows a 'Picture' upload section. It has a heading 'Picture' and a sub-heading 'Upload picture'. Below that is a 'Choose File' button and the text 'no file selected'. At the bottom, it says: 'Your virtual face or picture. Pictures larger than 1024x1024 pixels will be scaled down.'

Click 'Save'!

Commenting on a Discussion Topic

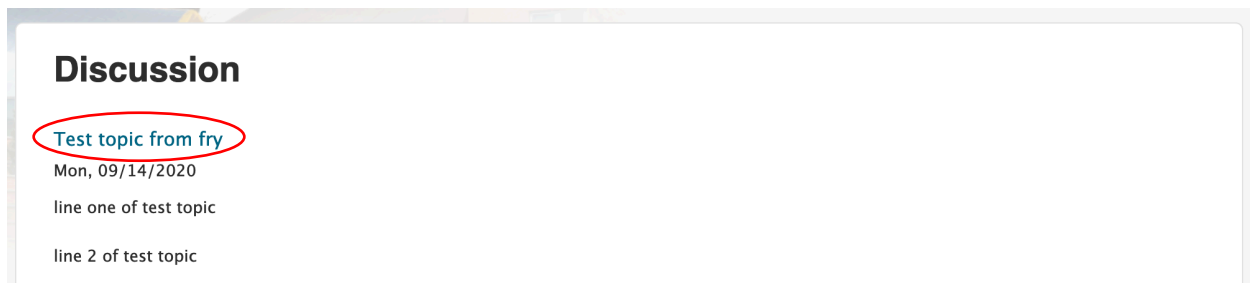

You must be logged in to comment

Click 'Discussion' in the left side menu.

The screenshot shows a Drupal website with the MIT Cloud logo in the top left. The main heading is "How Science can Enable a More Cooperative Future". A search bar is located in the top right. On the left side, there is a navigation menu with the following items: Home, About, Discussion (circled in red), Contact, Login, and Register. Below the menu, there are sections for "User Pages" (Fry's Basic Page) and "Login using Touchstone". The main content area features a "Welcome!" section with the title "How Science can Enable a More Cooperative Future" and a paragraph of introductory text. To the right, there are sections for "Recent News" (stating there are no news items) and "Recent Blogs" (listing two blog posts).

Click on a Topic.

The screenshot shows a discussion topic page with the heading "Discussion". Below the heading, there is a link "Test topic from fry" (circled in red) with the date "Mon, 09/14/2020". Underneath, there are two lines of text: "line one of test topic" and "line 2 of test topic".

Creating a Topic

You must be logged in to create a topic

Click 'Create a Topic' on the left side menu.

The screenshot shows a website dashboard with a left-hand navigation menu. The menu is organized into three sections: 'Home' (with links for Home, About, Discussion, Contact, Login, Register), 'User Pages' (with a link for Fry's Basic Page), and 'Content Management' (with links for Create a Page and Create a Topic). The 'Create a Topic' link is circled in red. The main content area features a 'Welcome!' message and a featured article titled 'How Science can Enable a More Cooperative Future'. The article text discusses the tradeoff between competition and cooperation, mentioning the Prisoner's Dilemma and evolutionary theory. On the right side, there are sections for 'Recent News' (stating no news items are available) and 'Recent Blogs' (listing two recent blog posts with dates).

Fill out the blog content form.

Make sure the 'Provide a menu link' is checked. By default, it is unchecked.

Fill out the Menu link title. This will be the name of the page that appears as a link under 'User Pages'

The screenshot shows the 'Menu settings' section for 'Fry's Basic Page'. On the left, there are two tabs: 'Menu settings' (selected) and 'Comment settings'. The 'Menu settings' tab contains the following fields:

- Provide a menu link
- Menu link title: Fry's Basic Page (text input field)
- Description: (empty text area)
- Shown when hovering over the menu link. (checkbox)
- Parent item: <User Pages> (dropdown menu)
- Weight: 0 (dropdown menu)
- Menu links with smaller weights are displayed before links with larger weights. (text)

Comments are open by default. You may change this under the 'Comment Settings'

The screenshot shows the 'Comment settings' section for 'Fry's Basic Page'. On the left, there are two tabs: 'Menu settings' and 'Comment settings' (selected). The 'Comment settings' tab contains the following options:

- Open
Users with the "Post comments" permission can post comments.
- Closed
Users cannot post comments.

Click 'Save'

You should then see that your page has been published. Refreshing the page should allow you to see your newly created page in the User Pages menu.
